Christmas Lunch

Our annual Christmas Lunch will be taking place on Wednesday, December 6th, in the school gym. This is a turkey dinner with all the trimmings and is free for all students. If your child does not want turkey dinner that day, please ensure you send a packed lunch. Lunches will be staggered to accommodate all our students.

Clothing Labels

Our Lost & Found collection is forever growing!

We understand that it is easy to lose track of children's sweaters, changes of clothes, and personal items that get left behind at school. In order to assist us in successfully returning your child's belongings, please ensure you are writing their name on all personal items including shoes, sweaters, jackets, lunch cans, etc. Children, especially the younger ones, often times do not recognize their own items and careful labeling will ensure we don't have to rely on them to claim items. Multiple times throughout the year, unclaimed items are donated to the local clothing bank.

Dressing for the Weather

Please ensure that your children dress properly for the cold weather.

Unless it is raining heavily, students are expected to go outside at recess and at noon time each day, as well as first thing in the morning before the bell rings for school to start.

Hats or hoods, mittens, proper footwear, warm coats, and snowpants are essential in cold weather, even if there is no snow!

Reminder to Parents/Guardians

Please be reminded that the school driveway is for buses only between **7:50 and 8:10 am**, when buses are dropping children off and **between 2:20 and 2:40 pm**, when the children are going home on the buses. This is for safety reasons.

Please use the fire hall parking area to drop and pick kids up during these times. You can escort them across the road from here, if necessary.

Thank you.

Message from Terry Fox Foundation

"On behalf of the Terry Fox Foundation, we would like to say a huge thank you to the students, staff and school community of Tatamagouche Elementary for participating in the 2017 Terry Fox School Run. Your very generous donation of \$1,601.95 for cancer research, along with the donations raised from the other 8500 schools across Canada, will help us come closer to finding a cure for this disease. Thank you so very much for 34 years of participation. We feel honored and inspired by your dedication to Terry's dream."

Best,

Lacey Johns

School and Events Coordinator

Virtues

We are continuing our Virtues program in school to highlight and help children see the value of character, integrity, honesty and humanity as well as other qualities that are so essential in our world today. For many parents, you will recognize this program from last year and we hope to continue teaching the children in our school how important it is to care and respect ourselves and the environment and all of those who live in our community and beyond.

For more information about this project, you can go to www.virtuesproject.com

The virtues we are focusing on the next few weeks are:

- **Generosity** (Nov. 27 - Dec. 1): Generosity is giving and sharing. It is giving freely because you want to, not with the idea of receiving a reward or a gift in return. Generosity is being aware that there is plenty for everyone. It is seeing a chance to give what you have and then giving just for the joy of giving. It is one of the best ways to show love and friendship.
- **Joyfulness** (Dec. 4 - Dec. 8): Joyfulness is being filled with happiness. It is a peaceful sense of well-being. Joy is inside us all. It comes from an appreciation for the gifts each day brings. Joy comes when we are doing what we know is right, and when we laugh and see the humor in things. Joy is the inner sense that can carry us through the hard times even when we are feeling very sad.
- **Service** (Dec. 11 - Dec. 15): Service is giving to others and wanting to make a difference in their lives. It is looking for ways to be helpful instead of waiting to be asked. The needs of others are as important to you as your own. When you work with a spirit of service, you give any job your best effort. You make a real contribution. People who want to be of service can change the world.
- **Thankfulness** (Dec. 18 - Dec. 21): Thankfulness is being grateful for what you have. It is an attitude of gratitude for learning, loving, and being. It is appreciating the little things around you and within you, every day. It is having a sense of beauty about the wonder of this world. It is being aware of the gifts in your life.
