Reminder to Parents regarding Morning Arrival

Mornings are very busy with teachers handling attendance, sorting out after school plans, receiving lunch and snack orders, etc.

Having students arrive late is very disruptive to classroom and school routines and we appreciate your efforts to ensure your child arrives at school by the time the bell rings at 8:10 a.m.

If your child must arrive late, you must come into the office to sign them in and let your child make their own way to their classroom.

If your child needs assistance going up to their classroom, we will help. Having parents escort their child to the classroom after class has started is very disruptive to classrooms. We appreciate your cooperation with this matter.

Thank you to everyone who came out and supported our Fall Fling Fundraiser. Congratulations to Joanne Bellevue who won the cake raffle that was generously donated by the Tipperary Café. We also wish to thank the following businesses and individuals for their donations and contributions:

Derados Pizza
Tatamagouche Foodland
Tatamagouche Fire Department
Bella Vista Farms
Dexter's Butcher Block
The Tipperary Café
Amanda & Jonny Weatherby
Student Volunteers from NCHS

The winning ticket from our 50/50 draw is #0159993 - the \$50 prize is still unclaimed!

Reminder to Parents/Guardians

Please be reminded that the school driveway is **only** for **Staff** and **buses** between **7:50 and 8:10 am**, when buses are dropping children off and **between 2:25 and 2:45 pm**, when the children are going home on the buses. This is for safety reasons.

Please use the fire hall parking area to drop off and pick up students during these times. You can escort them across the road from there, if necessary.

Thank you.

BRING THE WORLD HOME.

When you host an international student you may be surprised by how your family will grow.

Virtues

We are continuing our Virtues program in school to highlight and help children see the value of character, integrity, honesty and humanity as well as other qualities that are so essential in our world today. For many parents, you will recognize this program from last year and we hope to continue teaching the children in our school how important it is to care and respect ourselves and the environment and all of those who live in our community and beyond.

For more information about this project, you can go to www.virtuesproject.com

The virtues we are focusing on the next few weeks are:

- **Peacefulness** (Oct. 30 - Nov. 3): Peacefulness is an inner sense of calm. It comes especially in quiet moments of reflection or gratitude. It is getting very quiet and looking at things so you can understand them. Peacefulness is a way of approaching conflict with others so that no one is made wrong. It is being fair to others and yourself. Peace is giving up the love of power for the power of love. With peacefulness, everyone wins.
- **Courage** (Nov. 6 - Nov. 10): Courage is personal bravery in the face of fear. It is doing what needs to be done even when it is really hard or scary. Courage is going ahead even when you feel like giving up. Courage is needed in trying new things. It is admitting mistakes and then doing the right thing, Courage is the strength in your heart.
- **Honor** (Nov. 14 - Nov. 17): Honor is living with a sense of respect for what you believe is right. IT is living by the virtues, showing great respect for yourself, other people, and the rules you live by. When you are honorable, you don't have to feel ashamed of who you are or what you are doing. You are worthy of respect. You set a good example.
- **Compassion** (Nov. 20 - Nov. 24): Compassion is having kind feelings toward someone who is hurt or troubled. It is caring deeply and wanting to help, even if you don't know them. It is being kind and forgiving to someone who has hurt you.
- **Generosity** (Nov. 27 - Dec. 1): Generosity is giving and sharing. It is giving freely because you want to, not with the idea of receiving a reward or a gift in return. Generosity is being aware that there is plenty for everyone. It is seeing a chance to give what you have and then giving just for the joy of giving. It is one of the best ways to show love and friendship.

Breakfast Program

Did you know...

- **our Breakfast program is run completely by volunteers?** Each morning our wonderful volunteers come in early and prepare a variety of healthy food choices for our students!
- **our Breakfast program is available every morning from 8:00 to 8:10 a.m.?** Because of the generous support we receive from individuals and local businesses, we have been able to offer our Breakfast program every morning! Fresh fruit, yogurt, and cereal trailmix are available every morning and hard boiled eggs or toast are served weekly.
- **we served, on average, over 60 students every day during the month of October?!** These numbers tend to be even higher during colder months!

Along with Board funding, we have received a President's Choice Children's Charity School Nutrition Grant this year, as well as food and financial donations from local businesses and parents! If you would like to help out, please call Heidi at 902-657-6220!

**Congratulations to
all our winners!**

Once again, AA Munro Insurance provided each of our grade 2 students with a smoke detector to take home! Pictured in the back row, behind our grade 2 students are local volunteer firefighters Sandy Cole, Adrian Mac-Callum, Jonathan Weatherby, Travis Tattrie, and Ken Newcombe, as well as Tara Heitkemper of AA Munro Insurance.

Nova Scotia Children's Oral Health Program - Frequently Asked Questions

Q. Who is eligible for the Nova Scotia Children's Oral Health Program?

A. All children 14 years of age and under with a valid MSI health card number are eligible for the Nova Scotia Children's Oral Health Program.

Q. What does MSI cover for children's dental care?

A. MSI currently covers some basic dental care services for children from birth up to the end of the month in which they turn 15. Once a year, the program covers:

- One routine dental exam
- Two routine x-rays
- One preventative service – for example, brushing and flossing instruction, and/or cleaning

Fillings, necessary extractions and nutritional counseling are also covered by the program.

In some cases, MSI also covers fluoride treatments. Check with your dental office to see if your child qualifies for a fluoride treatment paid for by MSI.

Q. If my family has private insurance, is my child still covered under the program?

A. Yes. The Children's Oral Health Program is a universal program that covers certain dental services provided in Nova Scotia. All children, age 14 and younger who have a valid MSI health card number are covered under the program.

Q. How does it work if I have private insurance?

A. The program is the payer of last resort. This means that your private insurance will be used first and MSI will cover the difference up to the regulated fee amount.

If your private insurance covers the regulated fee, then MSI will not provide any additional top up.

Under the program, your dentist cannot charge you any 'out of pocket' expenses for any additional amounts.

Q. Under the program, am I responsible for paying the difference above what MSI covers?

A. No. If your child is eligible for the program, your dentist should not charge you any additional expense for those services that are covered. Your dentist should bill MSI directly and they will receive payment based on the regulated fee. You are not responsible for the difference for costs that are covered under the program.

Q. My dentist asked me to pay the office for my child's dental visit. How do I get reimbursed for services covered by the Children's Oral Health Program?

A. Mail your invoice with your child's MSI health card number to Green Shield Canada:

Children's Oral Health Program
 PO Box 1671
 Windsor, ON N9A 0C6

You will be reimbursed for services covered by the program up to the regulated fee.

Q. What is a regulated fee?

A. A regulated fee is what MSI covers for a specific service under the program. A list of regulated fees is available at <https://www.novascotia.ca/Just/regulations/regs/hsidental.htm>.

Q. What if my child visits the dentist more than once a year?

A. Your child is eligible for one routine exam, one preventative service, and two routine x-rays per year, as well as fillings, which are not limited. If any additional services are received throughout the year, the dentist may charge you up to their own private rate.

Q. Where can I learn more about the MSI Children's Oral Health Program?

A. For more information view the dental fact sheet: [Nova Scotia's MSI Oral Health Program](#), also [available in French](#). Or call toll-free 1-888-711-1119.
